

EVERY CANCER. EVERY PATIENT. EVERYWHERE.®

Conquer Cancer®, the ASCO Foundation, is improving the lives of people with cancer by raising much-needed funds to support and accelerate innovative and lifesaving research, education, and programs. Driven by the generosity of the global cancer community, we fund work with the highest likelihood of making a meaningful impact on the oncology landscape. Our network includes donors, physicians, researchers, patients, caregivers, and advocates around the world. Working together, we channel the expertise of the brightest minds in cancer research and care, thanks to our connection with the American Society of Clinical Oncology (ASCO).

WHAT MAKES CONQUER CANCER DIFFERENT?

- We support research and programs for every type of cancer, from the common to the rare.
- We fund more early-career physician scientists, without limits on geography or focus area, than any other independent cancer organization worldwide.
- We have direct access to the best and brightest oncology professionals because of our connection to ASCO.
- We collaborate with other nonprofits around the world to fund lifesaving research.

MISSION

Accelerate breakthroughs in lifesaving research and empower people everywhere to conquer cancer.

VISION

A world where cancer is prevented or cured, and every survivor is healthy.

VALUES

PEOPLE. DISCOVERY.
IMPACT.

Thank you for your consideration of these opportunities.

Should you wish to discuss any of the information contained herein further or next steps in providing support, please contact us at info@conquer.org.

CONQUER CANCER SUPPORT OPPORTUNITIES

KEY INITIATIVES

■ GLOBAL IMPACT FUND

Our global programs work to provide better care for patients with cancer worldwide. Together, these programs aim to develop local champions to become the leaders of tomorrow, improve the quality of care around the world through training and education, and support the innovation needed to address the global cancer crisis.

■ PATIENT-CENTERED CANCER CARE

These programs provide knowledge, tools, and resources to cancer care providers and their practices to ensure care is evidence-based and results in optimal health outcomes and patient experience.

■ CURRENT AND EMERGING NEEDS

Provide unrestricted, flexible funding to support Conquer Cancer's mission and vision. This funding allows us to be responsive to emerging needs in the field.

■ MISSION ENDOWMENT

Conquer Cancer's Mission Endowment supports mission-critical programs at Conquer Cancer and ASCO. Every program funded by the Mission Endowment must align with one of the Endowment's funding pillars: research, education, quality, or current and emerging needs.

GRANTS AND AWARDS

■ **ADVANCED CLINICAL RESEARCH AWARD**

The Advanced Clinical Research Award (ACRA) is a three-year \$450,000 grant that provides research funding to mid-career clinical investigators to perform original research in an area not currently funded.

Single Award Amount: \$500,000

Amount to Endow: \$13,500,000

■ **ANNUAL MEETING RESEARCH AWARD**

The Annual Meeting Research Award (AMRA) is a supplemental award for ASCO's Medical Student and Resident Research Forum participants with high-ranking research submissions. Awardees are required to attend the ASCO Annual Meeting where they will have opportunities to hear the latest advances in cancer research and present their research at the Research Forum.

Single Award Amount: \$1,700

Amount to Endow: \$59,500

■ **CAREER DEVELOPMENT AWARD**

The Career Development Award (CDA) is a three-year \$200,000 mentored grant that provides research funding to clinical investigators in the first to fourth year of faculty appointment to establish an independent clinical cancer research program.

Single Award Amount: \$230,000

Amount to Endow: \$5,500,000

■ **GLOBAL ONCOLOGY YOUNG INVESTIGATOR AWARD**

The Global Oncology Young Investigator Award (GO YIA) provides research funding to early-career investigators to encourage and promote quality research in global oncology and to develop the next generation of researchers to address global health needs.

Single Award Amount: \$57,500

Amount to Endow: \$1,350,000

■ **INTERNATIONAL DEVELOPMENT AND EDUCATION AWARD**

The International Development and Education Award (IDEA) provides support for early-career oncologists in low- and middle-income countries and facilitates the sharing of knowledge between these oncologists and members.

Single Award Amount: \$12,700

Amount to Endow: \$380,000

■ **INTERNATIONAL INNOVATION GRANT**

The International Innovation Grant (IIG) provides research funding up to \$20,000 for one year to support novel and innovative projects with the potential to advance cancer control in low- and middle-income countries as defined by the World Bank.

Single Award Amount: \$23,000

Amount to Endow: \$500,000

■ **LONG-TERM INTERNATIONAL FELLOWSHIP**

The Long-term International Fellowship (LIFe) provides early-career oncologists in low- to middle-income countries the support and resources needed to advance their training by deepening their relationship with a mentor at a host institution in the United States, Canada, or Europe.

Single Award Amount: \$130,000

Amount to Endow: \$2,500,000

■ **MEDICAL STUDENT ROTATION**

The Medical Student Rotation (MSR) provides financial support for U.S. medical students to introduce them to the oncology field and provide them with valuable exposure through a mentored clinical or clinical research rotation.

Single Award Amount: \$9,800

Amount to Endow: \$343,000

■ **MERIT AWARD**

Merit Awards are awarded to eligible first authors whose research is addressed in high-quality abstracts submitted to an ASCO Meeting and recognized for its scientific merit.

Single Award Amount: \$1,250

Amount to Endow: \$40,000

■ **ONCOLOGY SUMMER INTERNSHIP**

The Oncology Summer Internship (OSI) is an immersive, hybrid internship program offered at select U.S. medical schools designed to introduce rising second-year medical students to the field of oncology.

Single Award Amount: \$10,700

Amount to Endow: \$374,500

■ **RESEARCH PROFESSORSHIP**

The Research Professorship provides funding to full professors who have made significant contributions to cancer research and are dedicated to mentoring the next generation of researchers.

Single Award Amount: \$550,000

Amount to Endow: \$14,500,000

■ **YOUNG INVESTIGATOR AWARD**

The Young Investigator Award (YIA) is a one-year \$50,000 mentored grant that provides research funding to promising young investigators during the final years of training to support the transition to a faculty appointment and to encourage quality research in clinical oncology.

Single Award Amount: \$57,500

Amount to Endow: \$1,350,000

CONQUER CANCER SUPPORT OPPORTUNITIES

PROFESSIONAL DEVELOPMENT

LEADERSHIP DEVELOPMENT PROGRAMS

These programs are designed to equip oncology professionals with the essential knowledge and skills needed to lead effectively in a changing environment. These programs are tailored to meet specific leadership needs, including leading change in medical education, leading organizations, and international leadership.

PATIENT ADVOCATE PROGRAM BUNDLE

The Patient Advocate Program Bundle will provide support to patient advocates so that they may actively participate in ASCO and Conquer Cancer programs focused on education and professional development. The Bundle includes Patient Advocate Awards and support for the Patient Advocate Lounge.

Single Award Amount: \$2,700

Amount to Endow: \$80,000

SCIENTIFIC AND CAREER DEVELOPMENT RETREAT

The Scientific and Career Development Retreat is an annual multidisciplinary meeting for recipients of Conquer Cancer's Career Development Award (CDA), Young Investigator Award (YIA), and Global Young Investigator Award (GO YIA).

CONQUER CANCER SUPPORT OPPORTUNITIES

EDUCATION AND MEETINGS

■ AACR/ASCO WORKSHOP ON METHODS IN CLINICAL CANCER RESEARCH

An intensive workshop in the essentials of effective clinical trial designs of therapeutic interventions in the treatment of cancer for clinical fellow and junior faculty clinical researchers in all oncology subspecialties, including radiation and surgical oncology and radiology.

■ ASCO ANNUAL MEETING*

The ASCO Annual Meeting offers opportunities for participants from around the world to engage in evidence-based education on state-of-the-art treatment modalities, new therapies, and challenges across multiple disciplines and fields in oncology.

■ GASTROINTESTINAL (GI) CANCERS SYMPOSIUM*

The ASCO Gastrointestinal Cancers Symposium will feature a wide array of multidisciplinary topics in gastrointestinal cancers of the lower and upper GI tract.

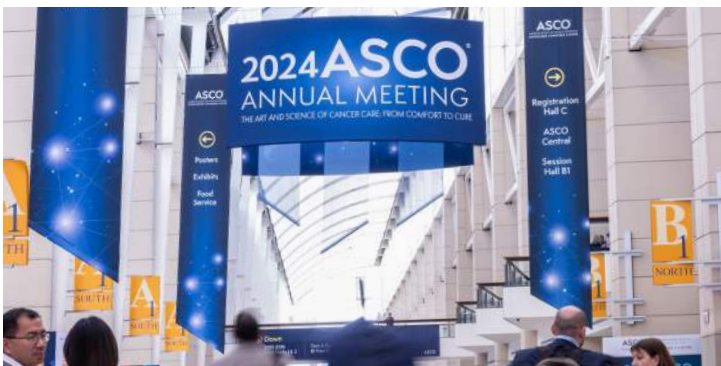

■ GENITOURINARY (GU) CANCERS SYMPOSIUM*

The ASCO Genitourinary Cancers Symposium features a wide array of multidisciplinary topics of international interest, covering cancers of the prostate, kidney, male genital system, urothelial system, and adrenal glands.

■ QUALITY CARE SYMPOSIUM*

The ASCO Quality Care Symposium offers research and education for the entire clinical care team that encompasses the needs and viewpoints of multiple disciplines and various practice settings.

** Meetings noted have both CME and sponsorship opportunities available.*

OTHER WAYS TO ENGAGE

■ EVENING TO CONQUER CANCER

An annual event during the ASCO Annual Meeting to celebrate advancements in cancer treatment and care, and the generous Conquer Cancer supporters who make it all possible.

■ CONQUER CANCER COUNCIL

The Conquer Cancer Council unites stakeholders from for-profit and non-profit organizations to discuss challenges, explore potential solutions, and exchange ideas to improve the quality of care for patients with cancer.

■ MATCHING GIFT

Matching gifts are a powerful way to partner with Conquer Cancer and gain exposure to our global community. In doing so, you can boost campaign participation, increase awareness, and maximize dollars raised to accelerate innovative, lifesaving research, education, and other vital programs. Opportunities at various sponsorship levels are available throughout the year.

■ EVERYGRANT®

EveryGrant®, designed specifically for the oncology community, is a comprehensive grant management service that blends decades of grantmaking success with a global network of experts. EveryGrant® helps organizations design and manage innovative funding programs—all without the burden of spending time or resources in-house.
